

Talmud with a Twist

When? Mondays @ 4 PM

Where? Hillcrest Jewish Center

Starting Monday September 12, 2011

Join Rabbi Kogan for one hour of exciting interactive study.

In each session the participants will study a short rabbinic story from the Talmud or Midrash. After a short explanation of the background to the story, the participants will be invited to explore how the short narrative can be interrelated to their own lives.

You don't need any previous knowledge to participate in this class. Classes are not sequential (in each class we will analyze a different story) so if you miss a class, feel free to come to the next!

If you have any questions, please contact Rabbi Kogan

We look forward to seeing you!
